PREMIER

Bundled Brilliance.

Your favorite BOXLIGHT interactive classroom solutions, in 4 cost-saving Premier Collections.

Interactive Classroom Collections.

With these amazing interactive tools, an equation becomes a revelation.

The components. The bundles. The Brilliance.

P10 DeskBoard^{BL}. A height/tilt adjustable interactive work surface, bundled with an ultra short throw BOXLIGHT interactive P8 or P10 projector. Adjustable, from a flat surface, to a vertical wall panel. Highly mobile, with its own wheeled cart.

ProColor^{BL} LED Interactive Panels.

Combined with a BOXLIGHT Rainier mobile mount, ProColor^{BL} panels can be positioned as a flat desk surface, or as a typical wall mount panel, to fit the situation, and the lesson.

Ultimate WhiteBoard with P10. A

height-adjustable whiteboard work surface, bundled with an ultra short throw BOXLIGHT interactive projector, and adjustable mount.

P10 ultra short throw Interactive projectors.

P10 features 10-Point touch and multi-touch capability. The resolution and brilliance of these projectors is extraordinary, even at distances as short as 17".

SoundLite^{BL}. Your ideas and words have never sounded so Brilliant. SoundLite features a hi-fidelity Class D amplifier, and a wireless mic that defers to your voice over soundtracks and other program audio. Brilliant.

BOXLIGHT Rainier^{BL} and Balance^{BL} Mounting **Systems and Mobile Carts.** Far more than mere projector or screen mounts, these advanced devices significantly improve the interactive education experience. The screen, and the lesson, are always where they need to be, for enhanced teaching and collaboration.

he right interactive tools--for your specific teaching situation--bundled into optimized, cost-saving packages. All Premier Collection bundles include innovative Oktopus Collaborative Software, optimized for BOXLIGHT. Projector-based systems include the Lamps For Life+ bulb replacement program. Significantly, all Premier Collection bundles feature optimized flexibility and usability with a BOXLIGHT adjustable wall mount, or tilt/height adjustable mobile mount and cart system.

Eyes that show it, clearly. Understanding. Comprehension. Enthusiasm. That's Brilliance. The ultimate outcome, and the BOXLIGHT Way. District after district, school after school, has found that the BOXLIGHT interactive experience is an education essential. The results, in student after student, literally speak for themselves.

Oktopus for BOXLIGHT is an advanced interactive and collaboration software package. And you can work over ANY content or application. No internet needed.

COLLABORATE. View lessons, respond, share annotations, and take notes using any tablet or laptop.

POLL. Pose questions and gain immediate participant feedback, displaying results instantly.

ANNOTATE. Works over browser content & existing applications.

Every student engaged, comprehending, and advancing.

Be Brilliant.

BOXLIGHT interactive LED panels coupled precisely, for the ideal mobile classroom.

The components. The bundles. The Brilliance.

The Reason.

Teachers and students love the interactive LED panel learning experience. It's hard to beat, and nobody does interactive panels better than BOXLIGHT. Even so, LED panels can be rather heavy. So, BOXLIGHT bundles a ProColor^{BL} panel with a motorized Rainier^{BL} height/tilt adjustable mobile cart, giving maximum flexibility, easy adjustability, and room-to-room portability. Brilliant.

The Brilliance.

The mount that makes the collaboration magic. Rainier^{BL} teamed with a ProColor^{BL} interactive panel—with HD and 4K (84") capabilities—and exceptionally fast "touch" response times. This ProColor^{BL} mobile classroom solution includes Oktopus* collaborative software with 5 presenter licenses, each with 5 collaborators.

Features

- Choose 70" HD or 84" UHD, multi-touch interactive flat panel
- Rainier^{BL} electric motorized adjustable mobile cart for flat panels
- OPS Win8 Pro. Windows 8 i5 processor, 500GB HDD, 4GB RAM, 2 USB 3.0
- *Oktopus Collaborative Software
 5 presenter licenses, each with
 5 collaborators Plus 1 year, 1 class
 upgrade allowing for 40 collaborators
- 15ft 6-outlet power strip
- 3 year warranty. panel only
